

STUDENT INDUSTRY WORKPLACEMENT •

HELP OUR STUDENTS HELP YOUR WORKPLACE

Strengthen your **links with the community** and raise your business profile

Provide students with **practical skills training** as an integral part of the industry course they are studying for the HSC

Raise the quality of those coming into **your industry**

STUDENTS REQUIRE ONE WEEK WORKPLACEMENTS IN:

Construction
Metal & Engineering
Electrotechnology
Hospitality
Kitchen Operations

Entertainment
Business Services
Automotive
Retail Services
Financial Services

Primary Industries
Information & Digital Technology
Tourism & Events
Animal Studies
Human Services

Give meaningful direction and support as young people link their school studies with the world of work.

If you feel your business may benefit from hosting a student or forming a partnership with a particular school or schools, please submit your details on the form below to Workplace Learning (WL). WL is a not-for-profit organisation funded to coordinate structured workplacement on behalf of schools and other RTOs (like TAFE) across the region.
